On November 13, 1972, disaster struck the community when the high school building was destroyed by fire. In the next few days, concerned teachers and students gathered to see how much of the equipment was salvagable. Classes were cancelled for one week until arrangements could be made so school could carry on.

Heartbreak struck again when two more fires took their toll; this time in the elementary building. The first taking place December 18, 1972 and destroying the Art, Special Education, and Fourth grade departments. There was extensive smoke and water damage done to other parts of the building. The second fire in the elementary building occurred in the sixth grade classrooms on January 2, 1973. Smoke and water damage was the only results.

With such an extensive tragedy, not much was expected from Liberty Center this year, but nothing could lower the determination of the students or faculty. This was definitely proven by the many awards and honors earned by the students of LCHS.

The Liberty Center community was saddened by the death of Linda Emahiser on May 18, 1973. Linda was the daughter of Mr. and Mrs. Charles Gorden Emahiser. She was an active member of her Church youth group, a G.A.A. member for two years, and a member of a bowling team. She will long be remembered by those who knew her and sadly missed by her classmates.

In Memoriam

Linda . . .

Tears fell, when thou wert dying
From eyes unused to weep.
And long, where thou art lying,
Will tears the memory keep.

While memory bids us weep thee,
Our thoughts nor words are free
The grief is fixed too deeply
That mourns a girl like thee.

Board of Education

STANDING: Jack Slagle, Superintendent; James Phillips, Edward Meister, Vice-President; Robert Wittenmyer. SEATED: Glenn Spieth, President; Herbert Arps, and Evelene Dulle, Clerk-Treasurer.

The Board of Education made many important decisions during the 1972-1973 school year. They held many extra meetings as a result of the school fires. We take this opportunity to commend and thank the Board for their dedication and concern for our school this past year.

The 1972-1973 school year is one that we will never forget! With three school fires and the disruption and confusion which followed, we must certainly commend the student body, the faculty and the community for their wholehearted cooperation and generous assistance. This year will stand out as one in which everyone worked shoulder to shoulder for a common cause - the continued education of the children of the district.

*Jack Slagle
Local Superintendent*

The 1972-1973 school year has been one of confusion, uncertainty, and concern due to the major fires which have struck our school. While these fires and the consequential relocation of our classes and offices have caused problems, they also presented our school with a unique challenge. The challenge has been to turn confusion into order, uncertainty into reliability, and concern into purpose. I feel that our students and staff are to be commended for the unselfish and dedicated manner in which they successfully made this transition. Our students learned to excel in the face of tragedy.

*John Kreis
High School Principal*

I feel the children suffered very little academically because of the fires. The teachers did wonders with their classes under the circumstances.

The largest squad in L.C. history produced only one win. The one win eight loss record reflected the inexperience and youth in the Tiger squad. The three senior captains, Bob Bortel, Mike Mann, and Dave Mohler, did an excellent job of keeping the morale and attitude of the team at a high level for the year.

Of course the game the Tigers will remember was the 18 to 14 win over Swanton. The game with Delta and Bryan had L.C. in the game until the last minute. Liberty Center put more physical effort into the Napoleon game than any other and the 30 to 7 Napoleon win does not reveal the type of game played. The Archbold, Wauseon, and Montpelier games were simply out of sight for the Tigers. Evergreen will be long remembered for a game involving nothing but frustration for the Tigers in the 2 to 0 loss.

The four graduating seniors, Dave Desgrange, Bob Bortel, Mike Mann, and Dave Mohler will leave several large statistical holes in the next year Tiger ranks. Dave Mohler and Mike Mann were both all-league performers in both the NWOAL and the NBL. Mike Mann was the leading scorer while Dave Mohler was the leading tackler. Dave was the 2nd ground gainer and Mike was the leading receiver.

We are going to miss these seniors, but with hard work, determination and plenty of team work, we think 1973 will be a good football season.

For any athletic teams to be successful there must be three ingredients. These are hard work, desire, and talents. This team possess all these in the proper amounts. They accomplished so much in one year because of their desire and their ability to get "up" for the big meets. They set many records, both individual and as a team, that will serve as a challenge for future teams.

The Liberty Center students lined the streets to wish the Cross-Country team Good Luck as they left for Columbus for the State Meet.

Our parents, faithful fans of the Tigers.

The basketball team completed a very successful season. Included in their accomplishments were a winning season, a sectional championship and a district runner-up. This represents the first winning season in many years and the others are "firsts" for the school in basketball.

The team set as one of its goals a winning season and was able to obtain it by desire and determination.

The Tigers played before a packed gym at nearly every game. This gave the players wonderful support during the basketball season.

Graduating this year were John Black and Richard Worchuck. John had a fine season this year qualifying for state competition. His great talent as a wrestler for L.C.H.S. will be greatly missed.

The 1973 track teams had a tough act to follow after last years third place finish at the state meet. However, this years team was one of the most productive in track for Liberty Center in a long time. The tracksters tied for 4th in the Blade Relay, 2nd in the Gold Medals, a close 3rd in the NWOAL, 2nd in the NBL, 1st place in the Sectional and were runner-up in the District. Seven men qualified for the State Meet but only two could score as Mike Wachtman placed 3rd and Dan Cartledge a 4th in the 2-mile. This gave us 10 points which was not enough to place as a team but is still a great accomplishment.

Mike Mann and Mike Wachtman were the senior co-captains for the season and did a fine job of leadership. Other senior members were Mike Hines, Dave Desgrange, Dave Mohler, and Rollie Laver. These men will be greatly missed by next year's team but have set many high quality goals for the younger trackmen to achieve. Because of the influence of these seniors, I'm sure next years team will meet their challenge.

Jon Slagle, left, shows his form to long jump 20', while Dan Cartledge sets a fast pace in the two-mile run.

Pete Westhoven was voted Most Outstanding Performer at the Napoleon Gold Medal Meet. He won both the high and low hurdle events and paced his team to a second place finish in team standings.

STATISTICIANS FOR WRESTLING AND TRACK: Kim Atkinson, Lee Ann Beck, Viki Bennett, Virginia Gerken. These girls assisted the coaches and teams by recording the statistics for the teams.

The Junior High was well represented in football. They worked hard to learn the fundamentals of the game. Mr. Fetterman and Mr. Stevens did a fine job of preparing these athletes for the high school competition in football.

Boosters Club Officers

Above is a picture of the officers. Left to right: Ted Mohler, President; Wilbur Perry, Secretary; and Donald Ahlman, Vice-President.

The Boosters Club was very busy this year. They started out the year by doubling the size of the press box for the football field. A new and successful project was then tried at the Henry County Fair; a chicken barbecue.

The Boosters sent the Cross-Country, Wrestling, and Track teams to state. They also donated monies to the Athletic Department.

This year the Boosters also sponsored basketball games between the radio stations and the Napoleon and Liberty Center faculty, with the profit going to the Hope Fund. They also paid the sod fund on the football field. Annual membership and gate raffles on the footballs and basketballs used during the games were held again.

To finish out the year, the Boosters sponsored an auction, consisting of articles salvaged from the burned building, and items brought in by people of the community. The money went to the Hope Fund. We would like to thank this group for not only what they have done for the Athletic Department this year, but also what they have done for the entire school.

The spring operetta, "Ghost Towns Never Die", was performed by the elementary 4th, 5th, and 6th grades on the evening of April 12, 1973. The operetta was presented under the direction of Mr. Harry Tennery and assisted by Mrs. Janet Fredrick and the grade teachers. The elementary students proved that they were very able performers.

Shown below are some of the students making good use of their new Resource Center.

Spring Activities

FINIAN'S

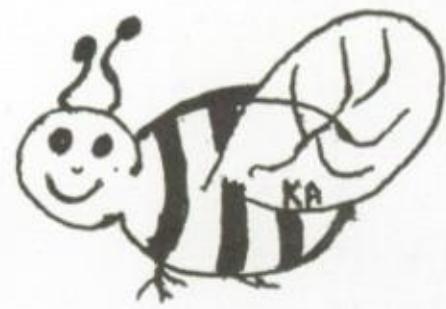

"Finian's Rainbow", this year's spring musical, was proudly presented April 6, 7, and 8. The musical was under the direction of Mrs. Lousia Strock and Mr. Ralon Wheeler. Many hours of hard work, coupled with just a bit a blarney, made this musical a great success.

RAINBOW

On May 11, the Senior Class was honored at the Junior-Senior Prom, Enchanted Forest. The gymnasium was beautifully decorated in a forest scene. The decorations provided a relaxing atmosphere, and aided in producing a very enjoyable evening.

June 6, 1973 marked the last day of an unusual school year. It is a year that few students will forget, but the past is over and the future is yet to come. God's blessings to all of you. Kim and Glenda, Co-Editors.
